WHY I STARTED

HAPPY THOUGHTS CANDLE CO. WAS BROUGHT UPON BY THINGS I WENT THROUGH AND AM CONTINUALLY LEARNING TO WORK THROUGH WHICH IS AN ONGOING PROCESS. I KNOW HOW IT FEELS TO HAVE ANXIETY AND DEPRESSION AMONG OTHER CONDITIONS, SO I WANTED TO CREATE SOMETHING FOR PEOPLE THAT HAS REALLY HELPED ME. CANDLES HAVE ALWAYS TAKEN ME TO A HAPPY PLACE AND A PLACE OF COMFORT. IT HELPS TO CLEAR MY THOUGHTS, CENTER, AND GROUND ME, SO I AM ABLE TO HAVE HAPPY THOUGHTS. THEREFORE, I DECIDED TO SHARE THEM WITH YOU. I TRULY HOPE YOU FIND YOUR OWN HAPPY THOUGHTS WHILE ENJOYING MY CANDLES.

**WE ARE TIRELESSLY WORKING TO END THE
STIGMA AGAINST MENTAL ILLNESS.**

**HAPPY THOUGHTS
CANDLE CO.**

Happy Thoughts exists to bring awareness to mental illnesses and to help prevent suicide.

We are fighting to end the stigma of mental illness/health and to promote suicide prevention. We understand the compassion and we want to advocate to society, to change norms, and make our world a more comforting place through our Happy Thoughts.

EVERY CANDLE THAT IS SOLD, WE GIVE BACK 20% TO A SUICIDE PREVENTION CHARITY

OUR MISSION

Our fight is for mental health/illness awareness. We are moving for a societal change, in hearts, communities, and in each other. This is why we donate 20% of our proceeds of every candle to a suicide prevention charity.

"I know how it feels to have anxiety and depression among other conditions, so I wanted to create something for people that has really helped me."
